

CONTENTS

<i>Kychkin A.V.</i>	
The long-term energy monitoring based on OpenJEVis Software	5
<i>Bahirev I.V., Kavalerov B.V.</i>	
Structure variant investigation of fuzzy PID rotation speed controller for electricity GTU	16
<i>Tyurin S.F., Kamenskih A.N.</i>	
The analysis of self-timed full-adder in terms of fault-tolerance	25
<i>Popov D.A.</i>	
Development of collecting and storing GAS turbine testing information system architecture	40
<i>Fedoseyeva A.N., Kazakov A.V.</i>	
Investigation of influence of the shape of the adapter on heat and mass transfer in a polymer melt extruder channel.....	50
<i>Bogdanov D.A., Subbotin E.V., Ershov S.V., Kazakov A.V.</i>	
Estimation of polymer lifetime by tga decomposition kinetics.....	57
<i>Kychkin A.V., Musikhina K.G., Rezepina M.G.</i>	
Establishment and implementation effectiveness research of an energy management system at the industrial enterprise	66
<i>Faizrakhmanov R.A., Khabibulin A.F.</i>	
Designing and developing training complex of portal crane operator.....	80
<i>Kostygova T.V., Kurochkina Yu.P.</i>	
Calculation of the technological mode of enameling and the assessment of quality of isolation on the temperature curve of tg δ	93
<i>Andreeva L.P.</i>	
Automatic charging device for batteries.....	104
<i>Philippov M.V., Kavalerov B.V.</i>	
Value of local smart grids with gas-turbine mini-power plants.....	115
